This letter is to express my concerns

In regard to proposed increases in rates for
Residential Services from Carolina Water Service Inc.

As a homeowner of a single family residence
in Irmo SC I object to the proposed increases
in rates + charges. I feel that if operating
costs are increasing, the additional costs should
be covered by reducing any unnecessary increases
of budgets.

Thank you,

Jenni Winston
524 Chadford Rd,
Irmo SC 29063
